#### SHIPPING WEIGHTS AND TERMS

All prices on this page except our four special offers are F.O.B. Fryeburg, Maine. Cash with order, or shipped C.O.D. if one-half amount accompanies order. Approximate shipping weights: 3 and 4 yr., once transplanted, average 10 lbs. per 100 trees; 5 yr., twice transplanted, average 30 lbs. per 100 trees; 6 yr., twice transplanted, average 35 to 50 lbs. per 100 trees.

\*ON ALL FOUR SPECIAL OFFERS, add 25c for postage on each shipment west of Mississippi River or south of North Carolina and Tennessee. We are unable to make any changes in these Special Offers. If you desire some other assortment, use the regular price list above.

#### WHITE PINE

White Pine may be shipped into all states (and the District of Columbia) except Arizona, California, Colorado, Georgia, Kentucky, Nevada, New Mexico, North Carolina, South Carolina, Tennessee, Utah, and Wyoming.

#### LARGER TREES

Larger trees than those offered in this price list must be handled with a ball of earth around roots, which makes transportation charges excessive unless you live in Maine or New Hampshire. Outside those states, buy larger trees from your local nurseryman.

# WESTERN MAINE FOREST NURS

*Guaranteed-to-Live* OR I'LL REPLACE THEM *Free!*

*Let me save you dollars  
On your tree planting!*

## FOLKS FROM EVERY PART OF THE COUNTRY KNOW THAT MY MAINE- GROWN TREES LIVE AND THRIVE

THE amazingly low prices shown on this page are among the greatest Evergreen values we have ever offered in the more than 25 years we have been in business. Many of my prices are as little as ONE-HALF TO ONE-FIFTH what others must charge. Even on a small, unpretentious planting you can save DOLLARS! You may send for any of these Trees with complete confidence that they will satisfy you . . . that they will more than come up to your expectations . . . and that your Trees will live!

### Millions of Trees

#### Mean Low Cost for You!

My prices are possible only because there are more than 10 MILLION Trees growing in my Nursery. During the past few years, I have shipped MILLIONS of Trees to my customers! This planting "know how," combined with the perfect soil and climate conditions of Western Maine produces Evergreen stock with big, husky, healthy roots. In addition, we "baby" every one of our trees throughout their first two years. We keep the young trees moist and fresh, and we help Mother Nature along by transplanting every tree at least once, in many cases twice. Transplanting strengthens the roots — is added insurance that the Trees will grow and thrive for you no matter where you live! Because of the care I give my Trees, our Evergreens reach you full of vitality and life, ready to take quick hold and grow for you. Whether you order 10 or 10,000 Trees from me, each tree is handled only by experts, by men who know and love Evergreens. My Evergreens are vigorous and healthy, absolutely free from disease, and every tree true-to-name as labeled.

You want the ground about your home to be as beautiful as possible. You want friends and guests to exclaim at the artistic beauty of your hedges, window and door decorations — and you certainly want to take advantage of the fuel savings that are yours with foundation plantings and windbreak screens. Evergreens are Nature's best protection against Winter's blustery cold and wind, Summer's burning, hot rays.

### My Trees are Guaranteed-to-Live!

Read my guarantee below. As far as I know, no other nurseryman offers you this protection. The Trees I send you must live, or I replace them FREE! It's not at all unusual for customers to plant 1000 of these Trees without losing a single one! The unsolicited testimonial letters and repeat orders that come in are the best proof that folks are well satisfied with my fine quality Trees. The letters I show elsewhere in this folder are only a few of the hundreds that come in every season.

### Order Your Trees Now!

Decide now the kind and quantity of Trees you will need. Then select your favorites from my BIG FOUR MAINE SPECIALS at the left or from the regular price list.
